REFERENCE: [REDACTED] 36351-64, Action Memorandum No. A-429,
dated 18 September 1964 to DD/S&T from AD/CI

1. This memorandum is for information only and is concerned with the political and cost aspects related to the use of [REDACTED]. The supporting detachment considered in this paper is organized along the lines of the [REDACTED] detachment and includes the [REDACTED] personnel necessary for a joint operation.

2. Alternative methods of integrating [REDACTED] into the IDEALIST program are also considered. The conclusion is that while operational use of [REDACTED] presents many serious and difficult problems, particularly in command and control, the most realistic solution is to integrate [REDACTED] into the [REDACTED] detachment.
